

Adventurers! Tahoe Taco Taste-Off!

That's right... Remember yesterday...

...well... I was there today! Nice guy/chef took my order (\$1.50 each, I ordered 4) and here's how they were made (outside the casino)...

...so-far, so good. Then, they were served... Whoa...

Below = 4-on-a-plate TINY...

I should have put something in the pic to show "smallness". Each "taco" a little larger than the palm of your hand. **Grade = B.** Somewhat disappointed (certainly not "full") I drifted back to the beach... Hey! Look-at-this...

Maybe time for a **comparison?** Good idea!

Three taco's @ 99-cents-each. \$3.27 total w/tax. Looks like this...

...and **Grade** = **A-** so "bang for buck" really terrific. Heading home, I passed a "real restaurant". **Burp**. "Had to do it"...

Here's what I got...

Tastless/bland, rice/beans from a can. \$7 won't-go-back. Oh yeah 1taco. Amazing what "real adventurers" have to do in life...
